 **SEYKON**
MAKINE
TREYLER

Who are we?

Seykon Trailer Mak. Singing. and Tic. Ltd. Şti takes its place in the sector as a well-established company operating in trailer manufacturing and spare parts sales. Since the day we were founded, we have acted with the principles of quality, reliability and customer satisfaction and are known for our solution-oriented approach.

We aim to offer the most suitable solutions to our customers and to constantly improve our products and services by closely following the developments in the sector.

Seykonpart.com is  **SEYKON**
MAKİNE
TREYLER brand.

CONTENTS

01

AXLE GROUP.....4-10

Strong axle and axle solutions that support the load carrying capacity of your trailer.

02

ACCESSORY GROUP.....11-17

Various accessories that increase functionality and appearance for your trailer.

03

BOTTOM GROUP.....18-20

Strong and durable undercarriage parts that strengthen the substructure of your trailer.

04

ELECTRICAL SYSTEM.....21-24

The electrical system and components necessary for a safe and trouble-free journey.

05

BRAKE SYSTEM.....25-28

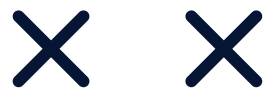

Superior performance brake systems and parts that ensure the safety of your trailer.

06

SUPERSTRUCTURE GROUP.....29-35

Durable and high-quality superstructure components that support the superstructure of your trailer.
